

The Illinois Department of Commerce and Economic Opportunity
and the Illinois Science & Technology Coalition

**in partnership with
Representatives Debbie Halvorson and Judy Biggert**

cordially invite you to attend:

Illinois Energy Research Day

Thursday, October 15, 2009

12:00 p.m. - 4:30 p.m.

Reception to Follow

Cannon House Office Building, Caucus Room

Illinois is proud to be a leader in energy research and innovation. Experts from many of Illinois' world-class research institutions and businesses will be on hand to discuss their on-going research efforts to make clean coal, fuel cells, lithium-ion and -air batteries, the smart grid, and solar and wind technologies a viable part of a clean and secure energy future.

For more information please contact

Jaime Willis, Illinois Science & Technology Coalition
at jwillis@ISTCoalition.org or 312.494.6716.
